

Sir Wilfrid Laurier Secondary School – OCDSB
Student Course Policy and Evaluation Handout
Theatre Production -ADD 3M
Credit Value: 1

Course Description:

This course requires students work with forms and conventions in theatre by creating, adapting, and presenting dramatic works. Students will research dramatic form and apply their knowledge through theatre. Students will also examine the significance of theatre to society. It is strongly encourage that you have participated in SWL Theatre Club in Gr 9 or Gr 10 to take this course.

PLEASE NOTE: This is an after hours class. Official Class will take place every Monday from 2:45pm thru 4:45pm throughout the entire school year as this is a non-semestered course. Only 55 hours are official class time. The rest of the 110 hours is gained through work on the upcoming production which may be scheduled on any weekday till 6pm, weekends, and production week depending on the play.

Overview of Expectations:

Creating and Presenting

Students will demonstrate a knowledge of dramatic elements and conventions, and the ability to apply the creative process in a variety of presentations.

Reflecting, Responding, and Analyzing

Students will demonstrate critical analysis, a knowledge of theatre in society, and the ability to apply and identify this knowledge through classroom activities.

Foundations

Students will demonstrate an understanding of theatre conventions including historical significance and responsible practices in drama.
