

# COLLEGE PATHWAY

## What do you need to go to College?

High School Diploma is the minimum requirement.

All programs require ENG4C and look closely at this mark.

Some programs require Math (MAP4C or MCT4C). Some also ask for Science: Biology, Chemistry, and/or Physics (SBI3C, SCH4C, SPH4C).

\*\* U-level courses are considered "equivalents", they are NOT worth more \*\*

## How do you know what courses to take in Grade 11 and 12?

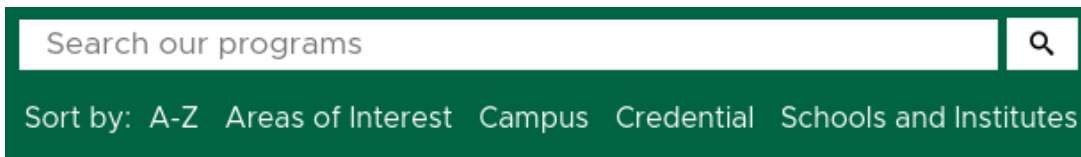

Research! Algonquin College has a list of all programs offered and the requirements for admission:

<https://www.algonquincollege.com/>

Click on "programs"

You can explore programs alphabetically, by interest, and/or by schools/institutes (departments). If you have a particular interest, type in the key word and see what shows up.

Choose a program, scroll down and click on "admissions requirements".

Pay particular attention to "program eligibility" listed (program prerequisites).

### Program Eligibility

Eg.

- English, Grade 12 (ENG4C or equivalent) with a grade of 65% or higher.
- Mathematics, Grade 12 (MAP4C or equivalent) with a grade of 65% or higher.
- Biology, Grade 11 or 12 with a grade of 65% or higher.
- Chemistry, Grade 11 or 12 with a grade of 65% or higher.
