APPLYING TO UNIVERSITY

NEW!! *You can start your university application when you are ready, you will need your OEN number which can be found at the top of your graduation summary.*

Go to this link: www.ouac.on.ca - Click on "apply now" - **Create your OUAC account (Use your PERSONAL email)**

Once your account is created, you are ready to choose your programs.
- For a base fee of $150, students can select 3 program choices. An additional fee of $50 is required for every additional choice.
- Please note that there is a maximum of 3 choices per university.
- Also, be advised that University of Toronto and McMaster University require additional fees for certain program offerings.
- The **deadline** to submit your completed application is **January 15, 2024**.
- *PLEASE NOTE: Universities do not follow up with students with portfolio or additional application requirements*.

Changes to programs may be considered in late January and early February using the **"Review and Change"** option on the website. No additional fees are required for this process unless an additional choice is added.

Students are responsible for logging into their account regularly:

- **To check for messages from OUAC or universities;**
- **To verify their grades and academic information;**
- **To view and respond to their offers of admission;**

The official round of offers starts in Feb. with the **final** marks of **semester one** courses. Students can expect to receive an offer of admission or a refusal from the universities by the end of May.

June 1 is the earliest date students are required to respond to an offer of admission. However, students are able to accept an offer as early as it is communicated to them.
