APPLYING TO COLLEGE

- To start your application, go to: www.ontariocolleges.ca

- Click on "Apply now", then click on the left "Canadian applicants" to create your account. *(you will need to answer security questions to create an account)*

    ⇨ Use your LEGAL name;

    ⇨ You will need your OEN number and student number, which can be found on your graduation summary.

    ⇨ Keep your username and password as you will continue to use this account to check for offers of admission from Nov. and beyond, until all programs are full.

    You can also view this video on how to apply: college-how-to-apply-video-college

- For a $125 fee, you may select up to 5 programs: 3 at any one college and up to 2 in any other.

- Check with the college you're interested in for specific course requirements and for any additional testing requirements. At Algonquin College, some highly competitive programs and most health-related programs require students to **complete an Admission test** called AC-HPAT (deadline to write this test is Feb. 15). Click on link for more info:

https://www.algonquincollege.com/ro/admissions/admissions-requirements/assessment-requirements/

- Application deadline: **February 1, 2024.**

We encourage all students to apply well before the deadline to give colleges ample time to consider applications, especially in programs that are deemed competitive. You can start applying in OCTOBER.

- You must confirm an offer of admission by **May 1, 2024.**
- **June 1, 2024**: the college will require a deposit to secure your spot in the program.
