

COLLEGE INFO

What do you need to go to College?

- High School Diploma is the minimum requirement;
- ALL programs require ENG4C and look closely at this mark;
- Some programs require Math (MAP4C or MCT4C). Some also ask for Sciences: Biology, Chemistry and/or Physics (SBI3C, SCH4C, SPH4C);

U-level courses are considered “equivalents,” they are NOT worth more

What programs should I apply to? What programs are available?

1. RESEARCH

The Ontario colleges site <https://www.ontariocolleges.ca/en> permits you to explore programs by category, by college, or by key words.

Algonquin College offers many programs <https://www.algonquincollege.com/> and you can search by areas of interest, by schools or see all programs from A to Z.

Certificate: 1 year **Diploma:** 2 years **Advanced Diploma:** 3 years

Degree – Bachelor: you can only apply with ENG4U and 5 other U/M grade 12
